

# YOUTH DOME

*Elevating Youth Voices in Trade and Business*

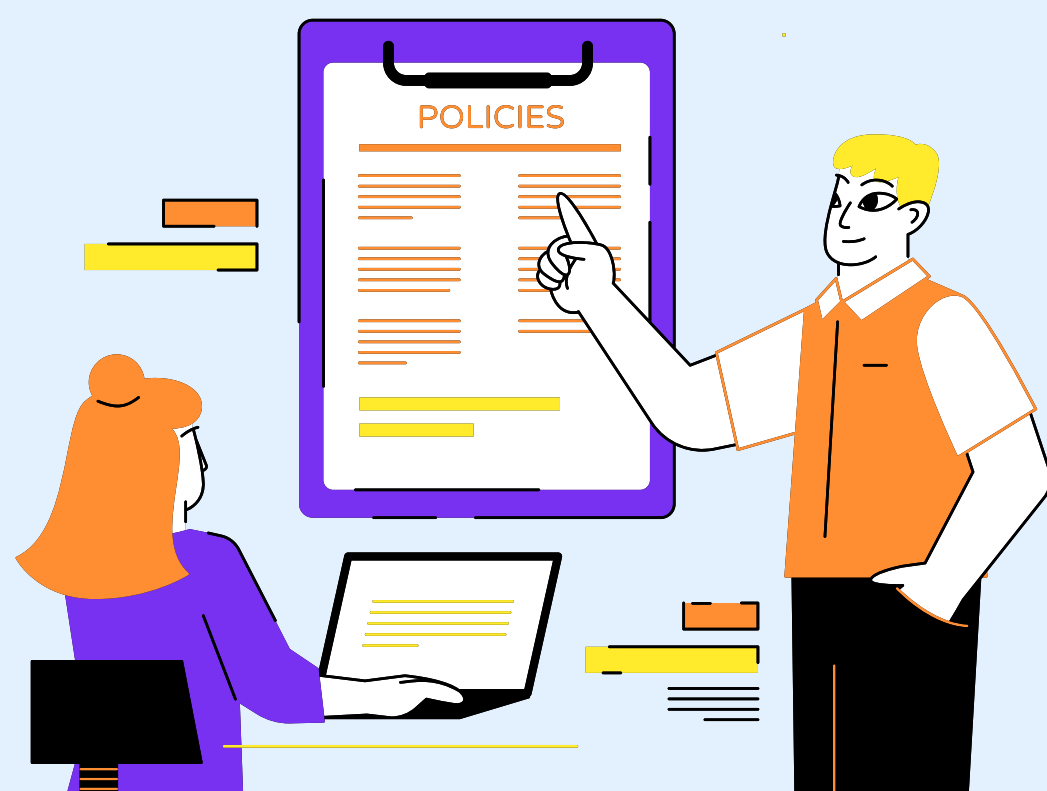

**Delivering as One**

Independent Continental Youth  
Advisory Council On AfCFTA

The Youth Dome is designed as the premier hub for youth in trade and business to discuss transformative ideas, and engage with leading personalities under the AfCFTA.

# Mission

To be the go-to platform for youth in trade and business to connect, network and engage with trailblazing ideas, ecosystem leaders and high-level policymakers in African trade and entrepreneurship space.

# Vision

To become Africa's premier hub and one-stop shop for anything and everything youth, business and entrepreneurship

# What We Offer

## PowerTalks: High-level Dialogues

A quarterly forum for young African entrepreneurs to engage and interact with African presidents and Ministers incharge of Trade and Youth.

# What We Offer

## Meet the Captain of Industry Series

A quarterly digital (virtual) forum for young African entrepreneurs to engage and learn from established African (and beyond) captains of industry from different sectors.

# What We Offer

## Opportunity Thursdays

This is a go-to weekly bulletin that curates and aggregates the latest opportunities for African youth in trade and business.

## TradeBytes Tuesdays

Every Tuesday, we will showcase short, engaging, and digestible content including infographics, animations, and explainer videos demystifying key trade instruments.

## Pitch4Biz CrowdFunding Annex

The quarterly Session will bring together business financing actors interested in investing in youth-led businesses angel investors, equity funders, and venture capitalists to listen to Africa's brightest young entrepreneurs' business ideas and guarantee access to investments for youth-led enterprises at various stages of development: ideation, startup, scale-up, and expansion.

## Why the Youth Dome?

- Gain access to high-level business and policy networks.
- Receive mentorship and investment opportunities.
- Be part of Africa's youth-led trade revolution.
